What does building at Jindee mean for you?

- Architectural standards that evoke timeless design.
- Shady, safer streets creating a walkable neighbourhood.
- Three times more street trees than usual.
- A beautiful and functional urban design.
- Multi-generational, Jindee will be a place for everyone.
- True product mix – from 165m² to over 2000m².
- Perfectly located for work and play – less than 1km from the coast and less than 1km to Butler train station.
- True connection to the ocean no matter where you are within Jindee, and natural undulating land levels through the dunes and valley of the land.
- Diversity in use – commercial, retail and residential will all feature – providing total convenience and liveability.
